PatentHEALTH, LLC a distributor with its corporate offices located at 5080 Aultman Ave., North Canton, OH 44720, is updating its list of structure function claims for its product PatentLEAN, whose main ingredient is 3-Acetyl-7-Oxo-Dehydroepiandrosterone. The following list is comprised of claims currently being used for the product.

1. Clinical results confirm safe and effective use of new oral capsule can be 3 times more effective than exercise and diet alone.
2. PatentLEAN a huge breakthrough with a powerful compound for weight loss.
3. Remarkable clinical results show PatentLEAN can be 3 times more effective than diet and exercise alone.
4. It's safe sensible and backed by clinical science.
5. PatentLEAN's powerful active ingredient has been awarded a United States Patent for use in weight loss and weight management and six additional patents.
6. Two separate clinical studies have shown that PatentLEAN was used safely and caused no adverse side effects when used as directed.
7. PatentLEAN results show that there is a statistically significant reduction of both body weight and body fat.
8. PatentLEAN's active ingredient is an effective and trusted dietary supplement derived from natural sources.

975 0162 LET 13953

9. With a calorie restricted diet and regular exercise PatentLEAN optimizes loss of body fat.
10. PatentLEAN's active ingredient was awarded and is protected by United States Patent # 5,296,481 for Weight Loss.
11. There's a new generation of weight loss products available today that are entirely capable of helping you lose that unwanted weight, without making your heart go pedal-to-the-metal or having you compromise your own inborn sense of safety.

I certify that these statements are complete and accurate and their truthfulness has been substantiated.

John A. Armstrong
Vice President
PatentHEALTH, LLC.
